St. Paul of the Cross 2018-2019 School Year

School-Wide Learning Expectation: Academically Prepared; Spiritually Evolving; Active Catholic-Christian; Life-Long Learner **October 10th, 2018**

6  Years of Developing Students Academically and Spiritually!

Principally Speaking:

School Student Non-Discrimination Policy:

The school, mindful of its mission to be a witness to the love of Christ for all, admits students regardless of race, color, national origin, and/or ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school.

The school does not discriminate on the basis of race, color, disability, medical condition, sex, or national and/or ethnic origin in the administration of educational policies and practices, scholarship programs, and athletic and other school-administered programs, although certain athletic leagues and other programs may limit participation and some archdiocesan schools operate as single-sex schools.

While the school does not discriminate against students with special needs, a full range of services may not always be available to them. Decisions concerning the admission and continued enrolment of a student in the school are based upon the student's emotional, academic, and physical abilities and the resources available to the school in meeting the student's needs.

## POPE FRANCES

Pope Francis has invited all the faithful — of all the world — to pray a Holy Rosary daily during the entire month of October 2018. At the end of the Rosary add: *[We fly to Thy protection, O Holy Mother of God. Do not despise our petitions in our necessities, but deliver us always from all dangers, O Glorious and Blessed Virgin]* Amen.
